

In an era of rising costs of employing additional human resources for their Temenos T24 needs, we understand that banks are not only looking for the best partner for their outsourcing services but at the best price as well. NDC fulfills that need of being a partner that provides a direct, immediate, reliable as well as cost effective response to banks' T24 needs.

NDC Application Management Services (**NAMS**) offers banks using Temenos T24 an opportunity to receive **Offshore Development** at:

***HIGHEST STANDARDS *MAXIMUM CONVENIENCE *MINIMAL RATES**

NAMS allows you to meet your needs for **Product, Interface and Report Development**, as and when you require it, allowing you to reduce your hassle and costs of hiring and maintaining permanent staff. Enjoy substantial savings as you incur **NO onsite expenses!**

We offer 90-day warranty on all of our Developments!

- **SPECIAL RATES FOR LONG TERM CONTRACTS (1 YR OR LONGER) & ON ORDERS RECEIVED BEFORE THE 31ST OF MAY' 10!**
- **FOR YOUR FIRST ORDER RESTRICTED TO 50 MAN DAYS, PAY ONLY UPON SUCCESSFUL COMPLETION OF UAT!**
